Wash Lotions

LAVAMANI rosé

Liquid hand soap

Floral scent | Treats skin gently | Rinses off easily

LAVAMANI rosé is a perfumed hand washing lotion. The moisturizing ingredients help to protect skin from drying out. LAVAMANI rosé is pH balanced to skin.

715410 - 500 ml BOTTLE | **715413** - 1 l BOTTLE | **715412** - 5 l CANISTER*

AT/030/002

LAVAMANI sensation

Hypoallergenic caring hand soap

Hypoallergenic | With moisturizers | No dye

Suitable for daily use (dermatologically tested). Its good moisturizing properties helps LAVAMANI sensation to protect the skin from drying out. Leaves behind a light floral scent. pH neutral for skin; without dyes.

712516 - 500 ml PUMPBOTTLE | **712519** - 5 l CANISTER*

AT/030/002

LAVAMANI F

Liquid hand soap

No fragrance | No dye | Gentle to skin

The perfume and dye-free hand soap LAVAMANI F has been dermatologically tested. It cleans the hands and helps to maintain the skin's natural pH level. Suitable for use in food processing areas.

715414 - 500 ml BOTTLE | **715415** - 1 l BOTTLE

LAVAMANI azur

Liquid hand soap

Fresh scent | Easy to rinse | Soft feeling

LAVAMANI azur is a fresh perfumed hand washing lotion that leaves a soft feeling on the skin. Its formula is free of soap, paraben and alkalines, so that it respects the natural skin balance and helps to prevent the skin from drying.

715408 – 5 l CANISTER

Hand Care & Protection

LAVAMANI protect

Skin care and skin protection lotion

For use before work | Protects skin from drying out | A little goes a long way

LAVAMANI protect spreads smoothly over the skin and provides protection from work materials. It stabilizes the skin's mantle; leaves behind no sticky feeling. Can be used under gloves. Carefully spread on the hands before work and after every hand washing. Contains beeswax; no silicones.

413843 – 500 ml BOTTLE

LAVAMANI care

Skin care lotion

With protective beeswax | With natural coconut oil | No mineral oil, paraffin or silicone oil

LAVAMANI care is a quickly-absorbed, slightly oily hand cream that regenerates severely stressed skin. Thanks to the natural ingredients, LAVAMANI care soothes and smoothes the skin. Spreads easily. Contains no silicones, mineral or paraffin oil.

713410 – 125 ml TUBE | **413841** – 500 ml BOTTLE

Hand Disinfection

APESIN handactive F

Liquid alcoholic instant hand disinfectant

Ready-to-use | Free of dye and fragrance | Broad efficacy spectrum

Ready-to-use hygienic and surgical hand disinfectant with moisturizers and other skin-care additives. Has bactericidal, fungicidal, tuberculocidal, and (limited spectrum) virucidal effects and virus-deactivating properties (hepatitis B virus / HIV). Listed by German VAH (Association for Applied Hygiene), included in the German IHO list of disinfectants for food Hygiene. Use biocidal products with caution. Always read the label and product information before use.

714908 – 500 ml BOTTLE | **714909** – 1 l BOTTLE
