

Zero compromises for your health

Allergy friendly products for a safe indoor air quality

Asthma Allergy Nordic certified: for more user's safety

Allergy friendly products

- ✓ Green Care Professional offers a range of cleaning products without dye and fragrance. The **absence of unnecessary ingredients** like perfume and color reduces the risk of allergic reactions without affecting the cleaning result.
- ✓ With four Green Care Professional cleaning products assessed by Asthma Allergy Nordic, Green Care Professional takes a further step towards **indoor air quality** improvement and health protection.
- ✓ Asthma Allergy Nordic label is a certification of products containing no perfumes and which have passed thorough and critical tests. Certified products can thus be **recommended to people suffering from asthma and allergy**.
- ✓ Asthma Allergy Nordic certification excludes, among others, some skin sensitizing substances, substances with allergenic potential, some irritating substances, fragrances and colorants, assesses the impurity of raw materials. Assessed **raw materials of natural origin** must be used in the product.

Our certified cleaners:

- ✓ Minimal risk of allergy
- ✓ Free of dye and fragrance
- ✓ Hypoallergenic
- ✓ Recommended by Asthma Allergy Nordic

TANET SR 15 zero%

High performance floor and surface cleaner

No perfume and dye | Perfect cleaning results | Good wetting properties

High-performance floor and surface cleaner based on alcohol. Ideal maintenance cleaner with outstanding environmental characteristics for the effective cleaning of all water-resistant floorings, e.g., stone, rubber, linoleum, PVC and all washable, smooth and shiny surfaces of plastic, lacquer, glass, ceramics, metal, etc. The formulation without perfume and dye ensures greater tolerance for allergy sufferers without sacrificing cleaning performance.

717141 – 1 | BOTTLE

SANET zitrotan zero%

Sanitary cleaner

No perfume & dye | Natural power of lemon | Cost-efficient

Acidic maintenance cleaner, effectively uses the strength of citric acid. Especially good at removing soap scum, limescale, water stains and grime. Good adhesion to surfaces. Leaves no streaks or smears. The formulation without perfume and dye ensures greater tolerance for allergy sufferers without sacrificing cleaning performance.
