

Ready4U Our Ready-to-use Cleaners

Simple. Efficient. Safe.

Ready4U

Our efficient all-rounders

Our ready-to-use all-rounders stand for simple, efficient and safe cleaning in all areas. Direct application without any intermediate steps produces outstanding results within seconds – so you save time and money! The „Ready 4 U” product range is particularly well-suited for buildings without separate cleaning preparation rooms. Our top priority is safety for users and the environment. Our adjustable spray nozzles can be used for the usual spray application and for foam application of many different products. The foam produces a low level of aerosols which do not impair the quality of indoor air. With our Green Care Professional brand, we offer integrally sustainable and recyclable products.

Simple:

Our products enable intuitive and direct application without any intermediary steps.

Efficient:

Fast and economical cleaning produces excellent results within seconds.

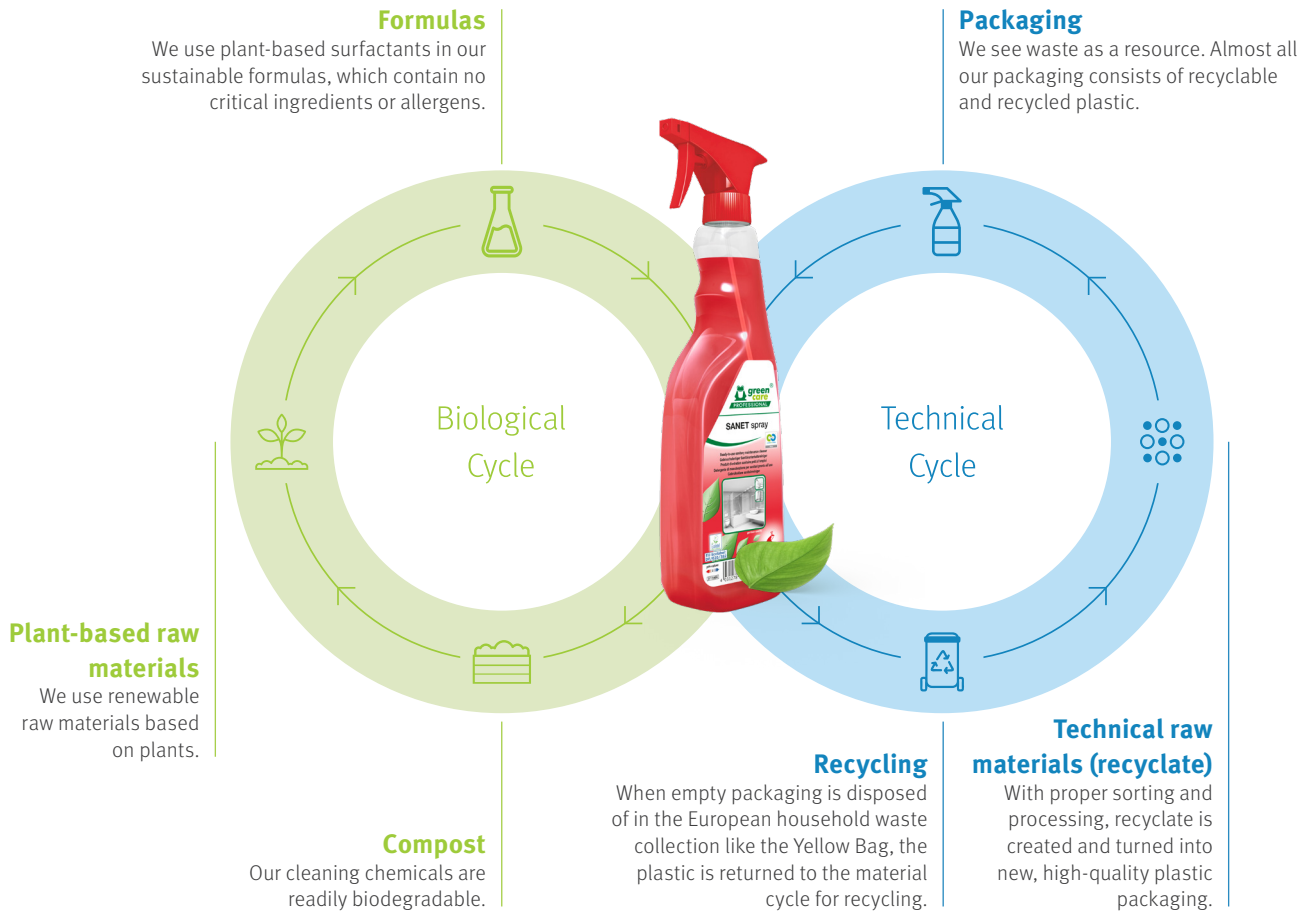

Safe:

Foam without aerosols cleans safely. The formulas and packaging make our Green Care Professional products safe for users and the environment.

Living the circular economy

Integrally sustainable with Green Care Professional

Areas of Application

From all-purpose to sanitary cleaners: We offer our efficient all-rounders for building cleaning, sanitary cleaning, kitchen hygiene and laundry hygiene.

Building Cleaning

TANET multiclean

Ready-to-use all purpose cleaner

Quick-drying | Long-lasting scent | Anti-static

TANET multiclean guarantees cleaning that's gentle to materials. It leaves no streaks or residue and maintains the cleaned surface's shine. Intense and long-lasting room-freshening scent.

715779 – 750 ml SPRAY BOTTLE

GLASS cleaner

Glass & Window Cleaner

Powerful | Increased user safety | Streak-free

GLASS cleaner is a pH neutral, ecological glass cleaner, particularly effective at removing all environment-related dirt deposits, greasy residue and nicotine stains. Cleans without leaving streaks and smears behind. Ready to use, based on ethanol.

DE/020/384

712494 – 750 ml SPRAY BOTTLE

BIOBACT scent

Biotechnological odor eliminator

Effective odor control | Long-lasting cleanliness | Material friendly

Biotechnological odor eliminator for all waterproof surfaces and fabrics. Long-lasting elimination of offensive odors; leaves behind a pleasant scent. Varied uses in sanitary facilities, drains, trash containers and the like. No hazard labels required.

714709 – 500 ml SPRAY BOTTLE

TANEX power

Ready-to-use Power and Plastic cleaner

Powerful | Efficient & economical | Varied uses

Ready-to-use power cleaner for synthetic surfaces with an excellent stain remover for many types of stubborn stains such as ink from inkpads or ballpoint pens and text markers, fingerprints, nicotine and cosmetics. Highly efficient, quick use.

715930 – 750 ml SPRAY BOTTLE – Available as of 2Q 2022

TUBA spot

Universal stain remover

Universal usage | Fast & simple | Material friendly

The time and money-saving spot remover quickly and effortlessly removes all solvent-soluble and water-soluble stains from carpets, upholstery, and natural and synthetic fabrics.

712755 – 750 ml SPRAY BOTTLE

*ph-value at 10 g/l

APESIN spray F

Alcohol-based rapid disinfection, liquid - perfume-free

Fast-acting | Free of dyes and perfume | Listed by IHO / VAH

Fast-acting disinfectant against bacteria, yeasts and viruses (limited spectrum). Can be used on all alcohol-resistant surfaces and furniture in healthcare facilities, in industrial and institutional areas and in food areas. Can be used undiluted. No rinsing is required. Listed by VAH (Association for Applied Hygiene), included in the IHO list of disinfectants for food hygiene.

Use biocidal products with caution. Always read the label and product information before use.

714867 – 750 ml SPRAY BOTTLE

Sanitary Cleaning

SANET spray

Ready-to-use sanitary maintenance cleaner

Refreshing scent | Versatile | Material friendly

SANET spray is a ready-to-use cleaner for the removal of all normal soiling in sanitary areas such as limescale, soap scum, greasy grime and cosmetic product residues. With an intense and refreshing fragrance that lasts a long time.

715486 – 750 ml SPRAY BOTTLE

DE/020/382

SANET lavosan

Ready-to-use neutral sanitary maintenance cleaner

Ready-to-use | Highest material compatibility | Acid-free

Neutral, ready-to-use sanitary maintenance cleaner without acid, particularly for use on sensitive surfaces.

713467 – 750 ml SPRAY BOTTLE

Kitchen Hygiene

GREASE classic

Kitchen Cleaner

Ready-to-use | All-purpose | Gentle to surfaces

Ready-to-use all-purpose cleaner for fast and effortless removal of all grease and grime in the kitchen.

AT/020/012

713080 – 750 ml SPRAY BOTTLE

GREASE perfect

Kitchen Degreaser

Fast & efficient | Flexible usage | No fragrances

Quickly and effectively dissolves oil and greasy stains from all waterproof and alkali-resistant surfaces and floor covering. Guarantees excellent results when used on stubborn incrustations, especially on and near stoves and grills. Fragrance-free. Refillable spray bottle. Suitable for use on food processing surfaces.

AT/020/012

712570 – 750 ml SPRAY BOTTLE**

GREASE power

High performance kitchen degreaser

Fast-acting | Easy usage | Efficient

Quickly and easily removes grease from alkali-resistant surfaces without leaving residue behind. Because it can be used on a variety of surfaces and appliances, only one product is required. Very good also on stubborn incrustations, particularly in ovens and grills.

AT/020/012

713603 – 750 ml SPRAY BOTTLE**

GRILL express

Deep cleaner for grills and traditional ovens

Deep degreaser | Good adhesion | Works on its own

Quickly and completely eliminates greasy grime and burnt and baked-on foods. Fast and easy application with pump sprayer. Highly suitable for use on convection ovens, vents, grills and all stainless steel roasting and baking equipment.

712727 – 750 ml SPRAY BOTTLE

INOXOL complete

Care product for stainless steel

Simple use | Care & cleaning | Less re-soiling

With a paraffin oil-based formula, INOXOL complete maintains, polishes and protects metal and eloxal surfaces in one process. Quickly and easily removes fingerprints, grime, discoloration and fogging and provides a smooth and shiny look. Special care components protect the metal surfaces long term from re-soiling. Extends the lifespan of the treated surfaces.

713792 – 750 ml SPRAY BOTTLE

Laundry Hygiene

SOLUS multi

Pre-wash spotter for protein and greasy stains

Easy-to-use | For all fabrics | Efficient stain remover without bleaching agents

SOLUS multi effortlessly removes greasy, proteinaceous soiling. Without bleaching additives or optical brighteners. The product is therefore suitable for all fabrics, including delicate washables and colored laundry. The formula is based on renewable raw materials.

DE/006/037

713068 – 750 ml SPRAY BOTTLE

SOLUS oxydet

Active-oxygen pre-spotter for colored stains

Easy to use | Chlorine-free | Efficient stain remover

The combination of biodegradable surfactants and hydrogen enables an effective removal of colored stains and contributes to an efficient washing result. SOLUS oxydet contains no chlorine, bleaching agents nor optical brighteners which makes it suitable for all types of textiles, including delicate and colored fabrics.
